Dean Martha Wilson

Dean of Undergraduate Studies

Dean Martha Wilson has given many years of service to Savannah State College. She started as a Math Instructor and has worked her way up to her present position of Dean of Undergraduate Studies. Because of this loyal dedication we, the 1976 TIGER Staff dedicate this book to her.

Dean Nelson Freeman

Director of Placement Services

Dean Nelson Freeman has also given many years of service to S.S.C. If S.S.C. had to do without Dean Freeman, many college students would never get the chance to check into jobs with many of the major companies. Thus, we feel it is most fitting to dedicate this book to him also.

Dr. Prince Jackson and his wife enjoy the coronation.

Dr. Jackson prepares to crown Miss S.S.C.

PRESIDENT PRINCE JACKSON

PRESIDENTS MESSAGE

PRESIDENT'S MESSAGE

To those who open this book, WELCOME! The Administration, faculty, staff, and student body hope that as you turn the pages of this book, the accomplishments, expectations, triumphs, and all other events which have painted the picture of this College year have been faithfully portrayed. We have worked this year, as in past years, with one goal in mind, "to afford students the best education possible."

It is my hope that as you glance backward at our Alma Mater, you should be reminded of fellow students whose college ideas you shared, of instructors who were dedicated to the betterment of your lives, and of a society that needs your services.

It is our desire, in the pages that follow, to help you re-live your college experiences in later years. Hopefully, you will find this book an invaluable reference.

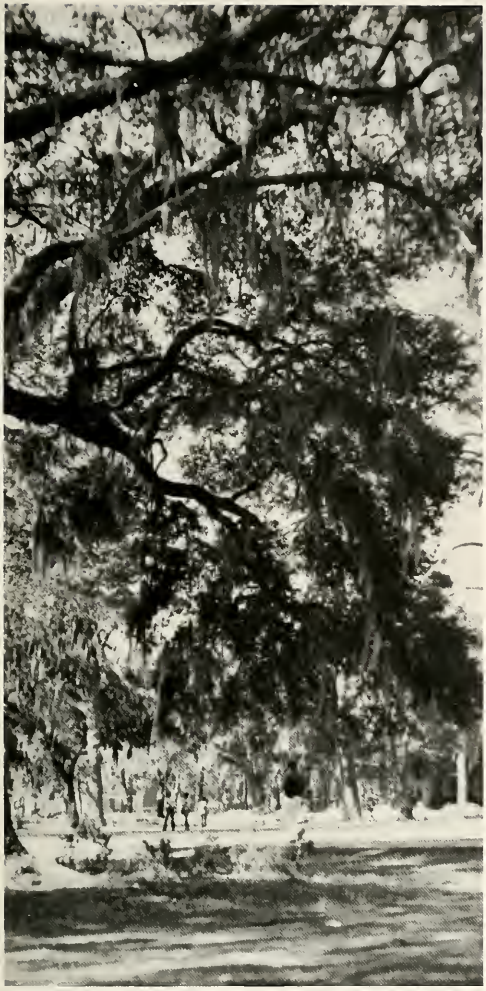
Memories

Many of us will always remember shooting pool in Adams Hall.

Who could ever forget the SSC Dining Hall!!!!!

Every once in a while we even went to the library.



SSC—trees, trees, and more trees.

She must be carrying a heavy load on her mind.

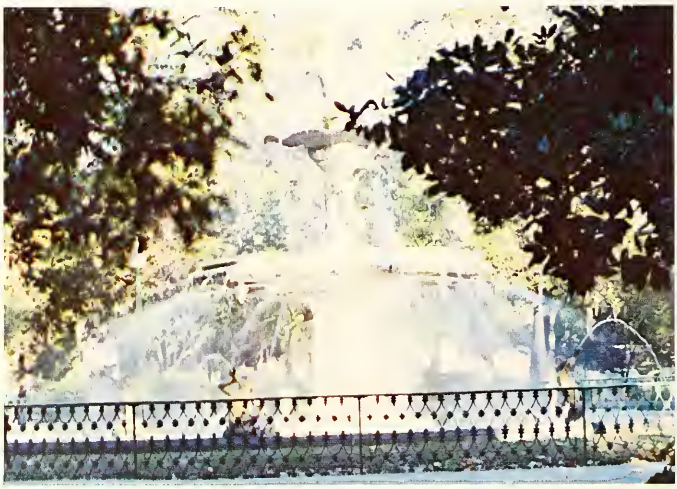
like the corners

of our minds

Don't worry, it'll be over soon.

misty water colored memories

Miss SSC and her court pose by the fountain.



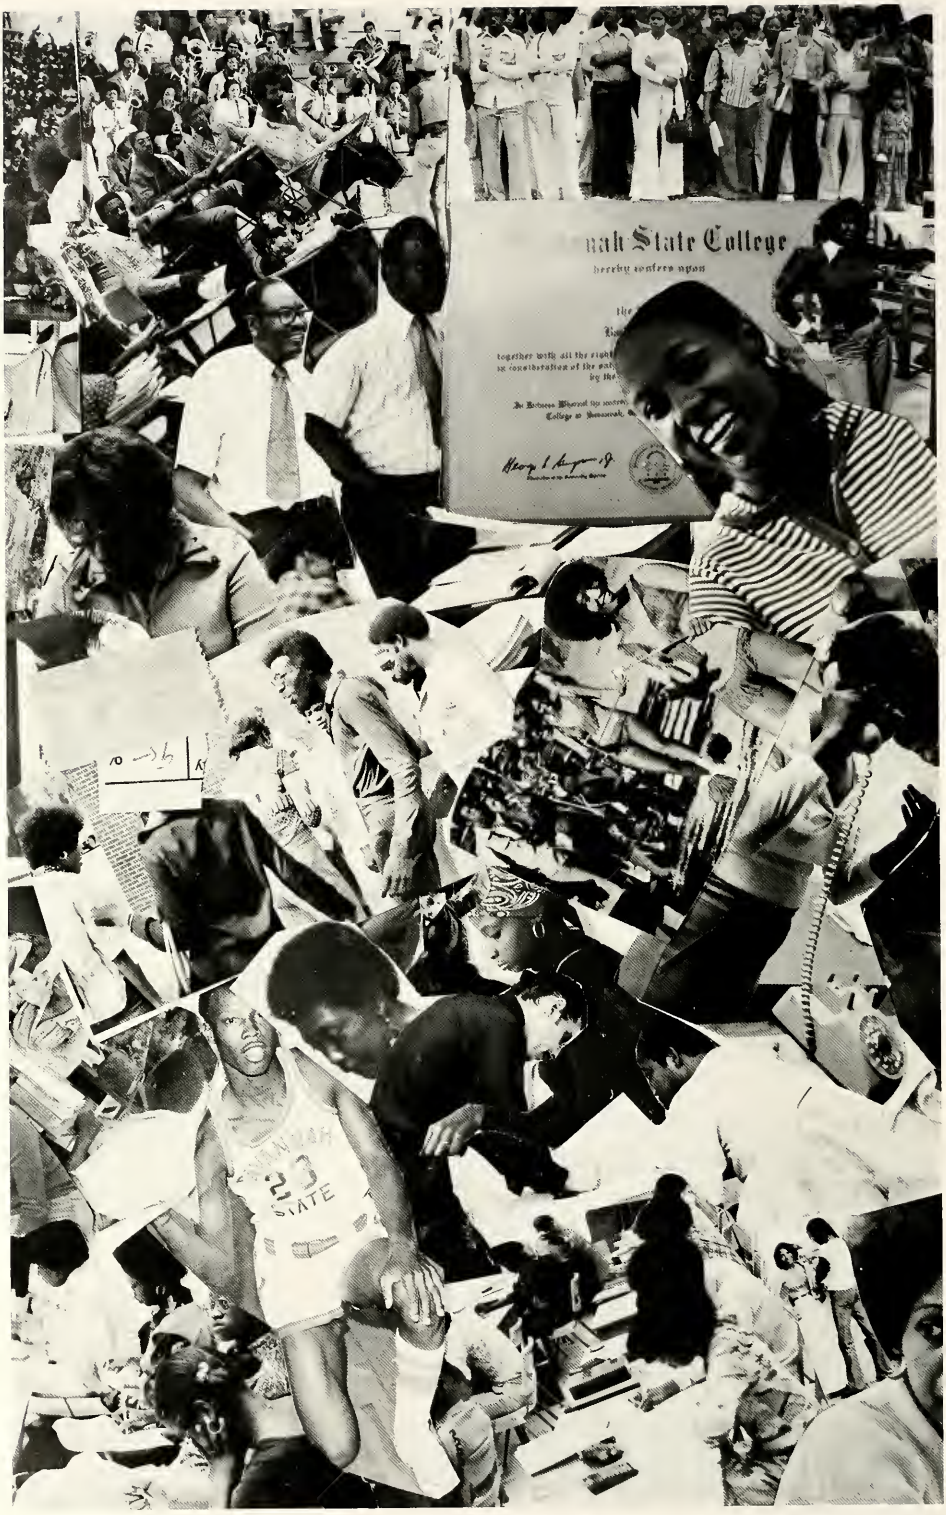
The flowing waters of the fountain of youth perhaps?

Our ever popular eating place!!!

The "blue goose" will get you where you want to go.

of the way we were

scattered Pictures



of the smiles we left behind

All smiles from the brothers of ITT.

George always brought a smile to the ladies faces.

Can you name a time when Elizbeth Emerson didn't have a smile on her face?

smiles

Posing for the camera.

I wonder what he said?

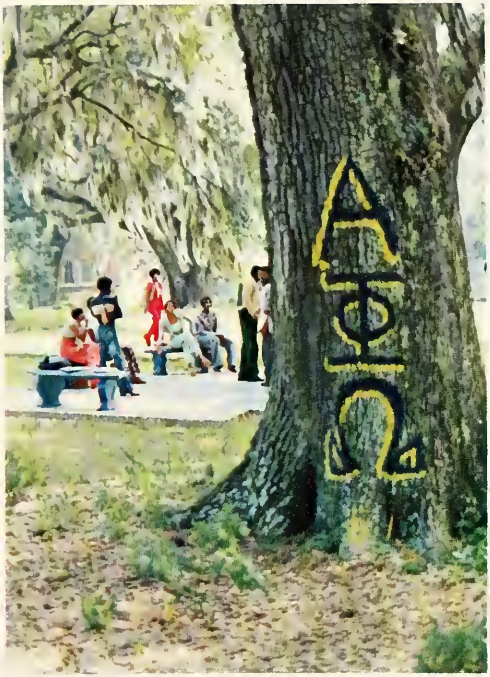
we gave to one another

What is there to smile about in class?

for the way we were

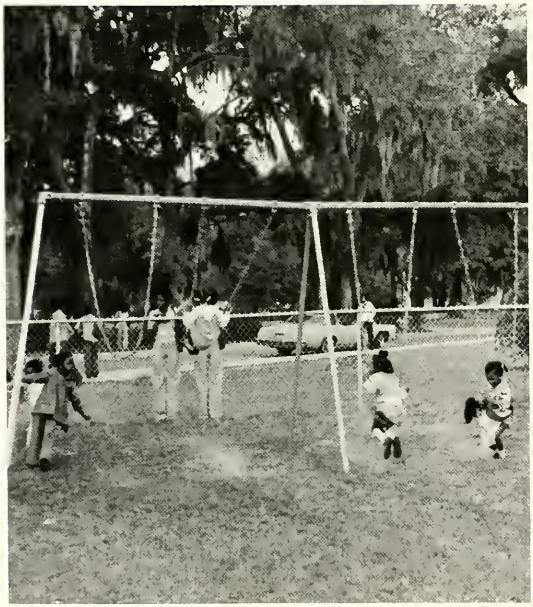
Relaxing in front of Payne Hall.

What are you waiting for?



The APO's finally got a park.

Oh! One more hour to go!!!!!!



Not so long ago . . . . . .

Now this is how it is done.

Could it be that it was all so simple than . . . .

DEPARTMENT OF PHYSICAL EDUCATION AND RECREATION

The essential aim of the Department of Health, Physical Education and Recreation is to provide professional training for pre-service and in-service teachers of Health, Physical Education in the elementary and secondary schools. The department encourages only potentially qualified students to take professional training in this field. It seeks also to provide instruction for all students in the basic principles of health and recreational activity needed for wholesome living.

In the pursuit of the foregoing aims this department provides a four-fold program of instruction. For students who plan to become professional workers in the field of health, physical education, and recreation the department offers a sequence of specialized training leading to the degree of Bachelor of Science in Education. In addition, it provides basic training in supervision of one or more phases of a comprehensive Health, Physical Education and Recreation program, in the schools of Georgia for all students enrolled in the Teacher Education curricula at the college. This phase of the work is provided either in selected specialized courses or in a minor sequence.

DEPARTMENT OF FINE ARTS

The Department of Fine Arts, embracing the areas of Art and Music, strives constantly to develop and maintain a high quality of instruction and learning. The special interests and ability of our students are of primary concern as the two curricula are formulated to give experiences in practical as well as in theoretical situations. Aesthic values are stressed in every facet of instruction, and positives, creative and competent attitudes are encouraged.

To complete requirement for the degree of Bachelor of Science in Art Education, the Art major pursues courses that will enable him to teach, continue to graduate school, produce creative ideas, enrich his own growth and serve as a valuable member of his community.

To complete requirements for the degree of Bachelor of Science in Music Education, the Music major becomes involved with theoretical and applied courses that are geared for the teaching field, graduate studies, musical performances, creative work as composers and other successful careers in the several other areas of music.

DEPARTMENT OF HOME ECONOMICS

The objective of the Department of Home Economics is for each student to become a well-informed person ready to take advantage of the expanding opportunities for home economists in our world of accelerated change. A degree in Home Economics provides a broad, liberal education along with a speciality to prepare young people for tomorrow's world. The degree equips graduates to be "professional consumers" and prepares them for immediate or future careers and to earn above—average salaries. The degree gives clarity and a fresh vision of problems in home and family living. Research shows that family life experiences enhance a woman's professional growth in the field of Home Economics.

Dr. Helen Lincoln, Professor

Ms. Diana Wagner

Dr. Teresa Anthony

DEPARTMENT OF BUSINESS

The main purpose of the Division of Business Administration is to afford students a sound educational foundation for social effectiveness, as well as gainful work in the business world. Specifically, through curricular offerings, supervised work experiences, and individual counseling this division prepares students for (1) employment as bookkeepers, accountants, secretaries, stenographers, and salesmen; (2) operation, management, and ownership of business enterprises; (3) teaching business subjects in the secondary school; (4) further study in Accounting, Business Economics, General Business, Secretarial Science, and Business Education. To realize these aims the division offers courses leading to the degree of Bachelor of Business Administration.

Dr. Olest Byrd—Professor

DEPARTMENT OF CHEMISTRY

The work in the Department of Chemistry is intended to serve for purposes: (1) to provide a thorough foundation in the general courses for students who seek an understanding of the methods and achievements of the chemist; (2) to include the needed semi-specialized preparation for students who are majoring in Home Economics and Engineering Technology: (3) to afford training for persons who plan to teach science in the secondary schools; and (4) to include pre-professional training for students who intend to study Denistry, Medicine and the like.

Dr. Willie G. Tucker—Head of the Department of Chemistry

Dr. Manchery Menon—Professor

Dr. Kailash Chandra—Professor

Dr. Jeffrey James—Assistant Professor

Dr. Kamalakar Raut—Professor

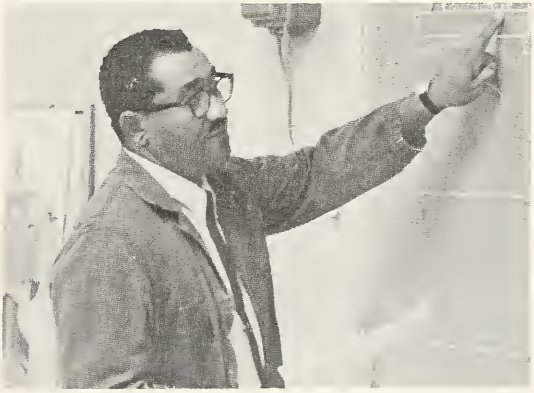
DEPARTMENT OF TECHNICAL SCIENCES

Recognizing that Engineering Technology is an important technical profession in the space age, the Department of Engineering Technology offers the Bachelor of Science degree curricula in Civil, Electronics and Mechanical Technology which are designed to meet the technological demands of an automated society.

Dr. Clyde W. Hall—Chairman Head of Division of Technical Sciences

Dr. Lester Johnson—Head of Dept. of Engineering Technology, Associate Professor

Mr. John Mason—Assistant Professor



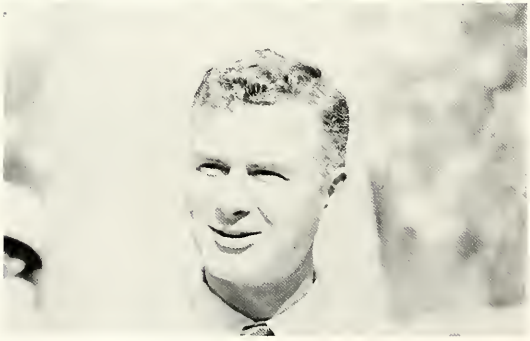
DEPARTMENT OF ENGLISH

The aims of the Department of English are (1) to develop proficiency in oral and written language; (2) to instill and appreciation for good literature; (3) to encourage a deep preceptiveness of mind in order to make it more flexible and inquisitive; and (4) to reveal the operation of the human spirit in our civilization. The ultimate aim of the department is quality of mind, rather than a mere accumulation of information.

Dr. Luetta C. Milledge—Head of the English Department

Mr. Robert Holt—Assistant Professor

Mrs. Yvonne Mathis—Assistant Professor



Dr. Michael Maher—Associate Professor

Mrs. Alma S. Williams—Assistant Professor

Dr. Lucretia Morgan—Associate Professor

Dr. Elizabeth Lunz—Associate Professor

Mr. Norman Elmore—Assistant Professor

Mrs. Julia Bennett—Assistant Professor

Dr. Oscar Daub—Assistant Professor

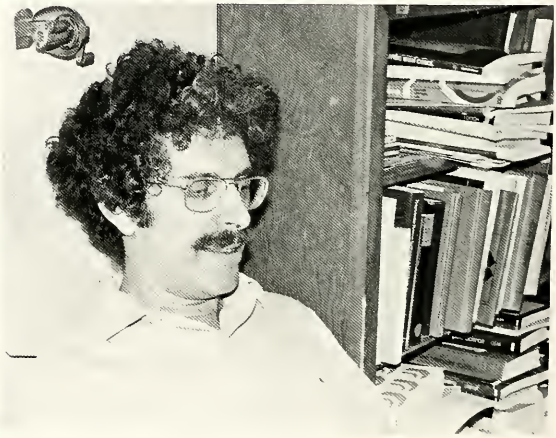
Mr. Arthur Brentson—Assistant Professor

DEPARTMENT OF MATHEMATICS AND PHYSICS

In order to meet the challenges of today, the Department of Mathematics and Physics has reassessed its role as a unit of the college. In addition to simulating ideas, provoking though, and acquiring certain basic skills, (1) this department has accepted the challenge set forth by the computer world by training its majors in the art of computer equipment, (2) the department has designed its course of studies in such a way that its majors will be equipped with the primary knowledge and the skills that would make them sought after in positions of industrial and civil service positions: (3) it makes an attempt to provide a background for those students who wish to further study in the area of Mathematics and Physics. (4) it hopes to help students to evaluate and recognize the continuous changes which occur theoretically, practically and linguistically with the hope that he will make adjustments to them easily, (5) it makes an effort to provide tutorial and unscheduled laboratory services to students from the whole college community.

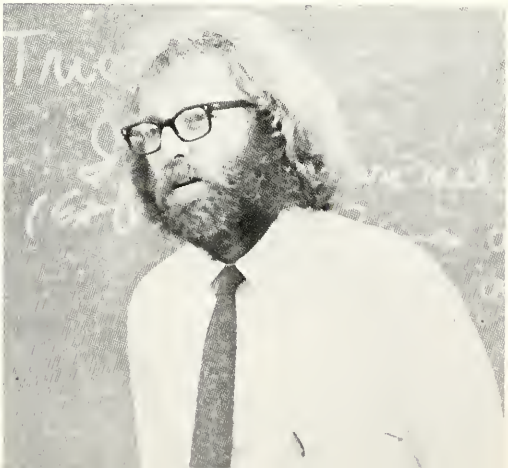
Mrs. Dorothy Smith—Assistant Professor

Mr. Walter Leftwich—Assistant Professor



Dr. Jacob Engelhardt—Associate Professor

Dr. Sigmund Hudson



Mr. Leroy Michael

DEPARTMENT OF BIOLOGY

The Department of Biology has as its aims: a. To provide for all students the opportunities, experiences and understandings of the principles and concepts of Biology. b. To train students adequately through the media of suitable courses for continuation of study in the medical profession and graduate schools. c. To provide students with an opportunity to acquire knowledge about the relevance of Biology to some of the urgent problems of today, the need for conservation of both human and natural resources and the need for research in the quest for a better society. d. To provide training in methods of critical thinking, openmindedness, self-criticism, patience, endurance and tolerance which are attributes useful in daily living.

MESSAGE FROM SGA PRESIDENT

SAVANNAH STATE COLLEGE
STATE COLLEGE BRANCH
SAVANNAH, GEORGIA 31404

STUDENT UNION

December 8, 1975

And so ends another year at Savannah State College, our "College by the Sea."

Having served as President of The Student Government Association, I can say that this year has been one of many challenges. As we turn the pages of the 1975 "Tiger", we recapture the many memories that were shared here at SSC. This was truly "The Way We Were."

This past year has brought many accomplishments, many of which would have not been possible without the help of my staff and the student body.

Serving as President of SGA has not been all fun and games. There were hard times along with the good. I would like to thank everyone responsible for making my year as SGA President a success.

Upon reminiscence of this past year, let us all keep in mind to strive and make the upcoming years better for everyone. This is "The Way We Shall Be."

Sincerely,

Thomas E. Williams

WHO'S WHO AMONG STUDENTS IN

Thirty-two of Savannah State College's most outstanding students have been named to Who's Who Among Students in American Colleges and Universities for 1975-76. These students after having excelled in scholarship, leadership, and character were nominated during the fall quarter after which the final selections were made.

Being a member of the junior or senior class and excelling in academics were not the only criteria met by the honored students. The students must have demonstrated specific leadership abilities and they must have participated in various extra curricular and academic activities. In addition, the 32 honorees must show promise of future usefulness to the school, the community, and to society, and they must have attended Savannah State at least one year prior to being nominated.

The students are nominated by all student organizations in good standing on campus and by campus departments. These names are cleared through the Business office, the Registrar's office, the Personnel office, the Dean of Faculty's office. After passing through these offices, the names then go to the Administrative Council and the President of the College for final approval and for substitutions.

ELON SLASHES SSC

Tailback Howard Ferguson rushed for 173 yards including 142 in the first half, to lead the Elon Fighting Christians to an easy 37-13 victory over Savannah State.

Elon took advantage of several key Tiger miscues in the first half to take a 24-0 halftime lead, then repelled a furious SSC rally in the third period to coast home with the win.

The Tigers showed their first signs of offensive life in the third period behind the running of quarterback Keith Camp. Camp scored both Savannah State touchdowns, on runs of 2 and 10 yards to put the Tigers back in the game at 24-13.

An early fourth period interception by Elon, on a deflected pass, gave the Fighting Christians the ball at the SSC 28, and Elon took it in six plays later with Page, of Elon keeping for the TD from 12 yards out.

TIGERS WHIP PANTHERS 30-14

Clark College was the victim of a 30-14 loss to Savannah State. The Tigers, paced by Michael Cohen's three touchdown runs, including a 66 yarder, took a 30-6 halftime lead. The fired up Tiger defense stifled Clark in the second half to allow the Tigers to coast to their first win of the season.

Following the fruitless possession by each team, SSC took over at its own 11. A penalty moved the Tigers out to the 34 and on the next play, Cohen took a pitchout and raced around the left side of the Panther line. He cut back to the wide side of the field at the Panther 40, then raced across field to the right corner of the endzone, finishing a 66 yard touchdown.

The Tigers kept the Panthers in check the rest of the game with Cohen receiving rushing honors of 142 yards on 18 carries. SSC quarterback Keith Camp had a good night, passing for 119 yards, completing 10 out of 19.

NEWBERRY STOPS SSC 26-13

The Newberry Indians sparked by tough ball hawking defense, broke open a close game in the third period and scored a 26-13 victory over SSC.

The two teams played to a standstill in the first half of the game. The score at halftime was 2-0 Newberry.

The Tigers actually took the lead 5-7 midway into the third period. This was on a touchdown by Michael Cohen. John Westberry kept Savannah State's hopes alive with a spectacular 67 yard interception return for a TD early in the final period.

The Tigers were unable to hold on to this lead as the Indians scored 24 more points and became the victors. Cohen was again lead rusher with 70 yards on 18 attempts.

HOMECOMING GAME

Get set, ready, go . . . .!

Well, another touchdown!

Savannah State stormed out of the dressing room following intermission on a Saturday afternoon and hammered Albany State 46-0 in the Tigers homecoming festivities.

After a sluggish two quarters by both teams, the tigers broke out of a tight game, scoring 40 points in the final half. The defensive troops completely shut off the Rams' running attack.

The last touchdown of the game came when linebacker Michael Moon, only about five yards from ASC quarterback Ricky Alexander, snatched a bullet pass out of the air and stumbled the required four yards for six points.

Getting the ball at Albany's 33, Savannah State moved straight down the field, this time not stopping at the Rams' 40. SSC scored one more in the third period of play with Camp passing to Scott.

TIGERS CLOSE SEASON

Mervin uses fancy moves to psyche Knoxville player.

Savannah State's Tigers, despite being slapped for 115 yards in penalties penned the final chapter of the 1975 season with a win over Knoxville 33-20.

Before a chilly crowd, Savannah State warmed the stands a bit with the first touchdown mid-way through the first period. After Knoxville's first series stalled on its own 19, Lee Blitch fielded Reginald Proctor's punt at his 48 and dashed to the Bulldog 12.

SSC went ahead for keeps about three minutes later as Camp shook off several tacklers for an 11 yard TD. Blitch's PAT pass fell incomplete. The Tiger defense came through again shortly before the third period ended.

SSC thus closed the season on a winning note to the delight of all the fans.

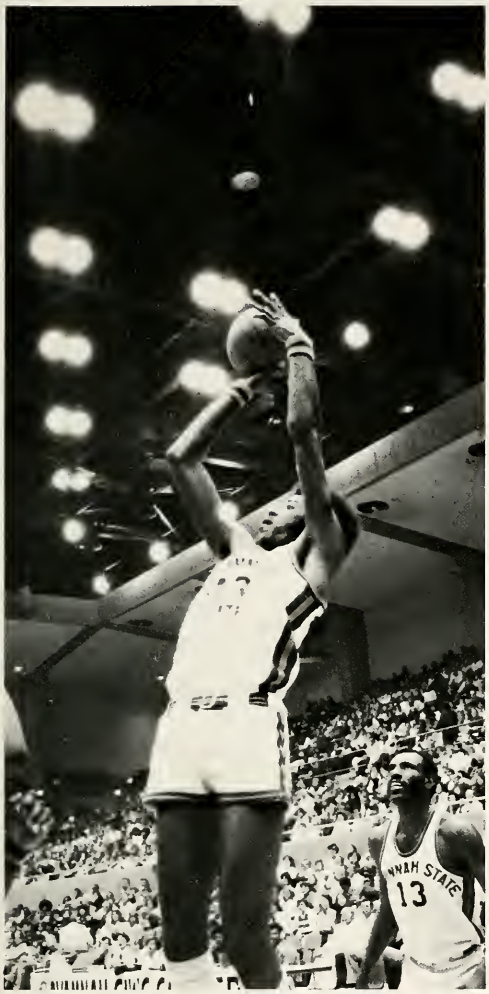
SHRINER'S TOURNAMENT

CROSS-TOWN RIVALS CLASH



ASC dominated every phase of the game, out rebounding the Tigers 50-23, and surprisingly broke the SSC press with ease.

Late in the game Crow Armstrong collided with SSC's center, 6-7 Terry Gordon, at mid-court and the collision proved costly for coach Michael Backus' Tigers.

Eight consecutive points by SSC's Turner Odgen during the second half kept the Tigers within 20 points of ASC.

Ron Williams was Savannah State's leading scorer with 20 points and Odgen was close behind. Sam Kenlaw had 13 and Ronald Mincey 11.

SSC LOSES TO MOREHOUSE

94-99

Ike Hamilton makes it hard for Morehouse to get the ball down the court.

Tyrone Harris scored 8 points in overtime to pace the Morehouse Maroon Tigers to a 99-94 win over Savannah State in the SIAC game.

The win left Morehouse with a 4-5 overall record an 2-1 in conference play. The loss left SSC a 1-2 overall record and a 0-1 SIAC mark.

SSC had 5 players averaging in double figures, Kenlaw and Ogden 16.6, Williams 15.1, Romer 14.3 and Mincey, 1 a 6-7 Freshman, is averaging 10.3 rebounds and Kenlaw 10.

ALBANY EDGES OUT SSC

The game between Albany State and SSC came down to a disappointing finish of a 97-95 win for Albany. Mental mistakes were what hurt the tigers the most.

Albany State broke out to a 33-25 lead midway in the opening half of the game. Then, eight unanswered SSC points tied the score 33-33. By halftime the score was 53-50 Albany.

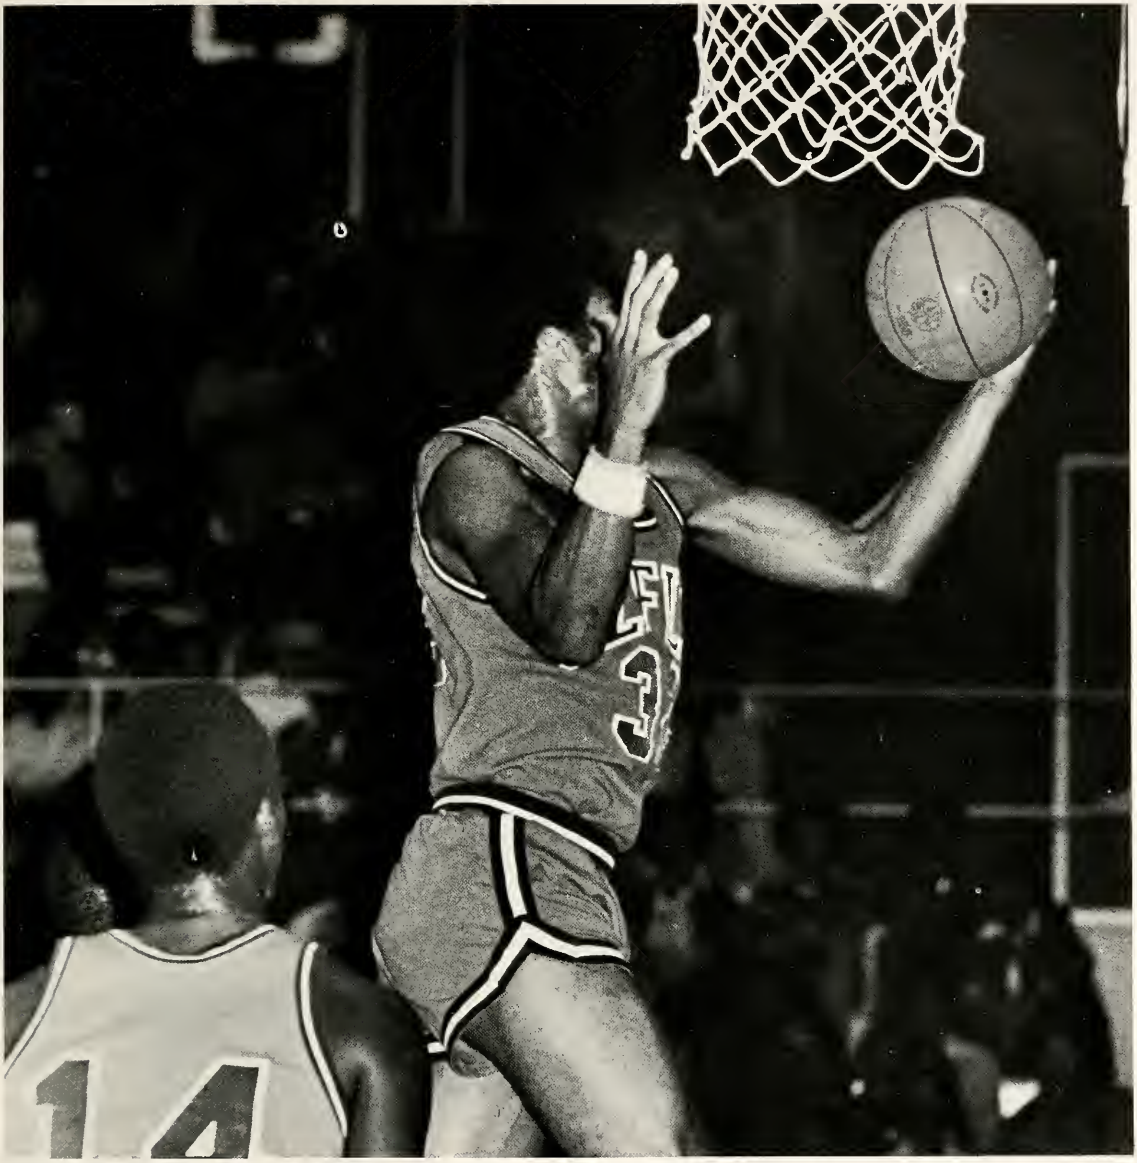
With 16:17 left in the game the Rams held a 12 point lead over the Tigers—67-55. The Tigers trimmed this down to a 77-72 and within minutes had pulled to within two points of the Rams score.

SSC was out in front 95-93 with 1:45 left to play when Albany's coach Oliver Jones took a time out to set the strategy for the final ticks of the clock. When the Rams returned to the floor Wolfe tipped in a basket to tie the score 95 all. Griggs of Albany then stole the ball to score the winning points for the Rams.

For the game Kenlaw had 27 points and 18 rebounds; Williams 18 points; Romer 17 points, Mincey 15 points and Turner Ogden scored 14 points.

The loss left SSC with a 1-3 mark.

SSC CLOBBERS CLAFLIN



SSC Tigers were hitting on all five cylinders in the second half as they pounded Claflin College, 108-79.

But the spark plug in SSC's machinery was Sam Kenlaw, who threw in 34 points, 20 of them coming in the final half. The lean forward hit on 17 of 26 field goal attempts for the evening before exciting with about two minutes left.

The Tigers came out running and popping the second half. After leading 47-41 at intermission, SSC had stretched the lead to 15 midway through the final period. The margin was that wide at 10:29 mark when SSC hit 40 points. The Panthers never got any closer after that.

The lead had increased to 21 three minutes later. With 7:39 remaining SSC led 81-59. They hit the century mark on Ron Mincey's layup with 3:29 left. At that point, Clafin had 71.

Following his team's performance, Coach Michael Backus said they had worked on defense since their last game. "I said in the locker room at halftime, "Let's go score 100 points."

"Turner (Ogden) had his best game. He took the shot when he was open, he penetrated and got rebounds," Backus said of his backcourt performer.

In individual scoring Kenlaw led the Tigers balanced attack. The senior from Charleston, S.C. had 14. Ogedn had a dozen and Romer—nine. But the high point man was Claflin's Bennet Snider with 15 . . . Dumas had nine and Robert Knight had chipped in eight for the Panthers.

TIGER BASKETBALL COACH

Michael Backus

Michael Backus entered his fifth year this year as Coach for the Tiger Basketball team. Backus is an alumnus of Hampton Institute.

This year Backus had quite a few new players added to the Tiger roster to boost the strength of the team. Many of the new freshmen either started or played second string.

Coach Backus is truly a man to be admired for he served almost completely by himself as the coach for the team. His assistant was John Rivers a former SSC player.

TIGERETTES BASKETBALL COACH

Jimmie Westley

Coach Jimmie Westley landed some of the most talented high school women athletes in the state this year. With this in mind, without hesitation, he set his sights on an SIAC, State and National crown.

In his first coaching year the record for the Tigerettes was 12-9.

Westley is an alumnus of SSC and hates to lose. He possesses a tactical basketball mind and has a never-give-in attitude. Perhaps this has spurred the team on to become what it has.

TIGERETTES BEAT PAINE

Karen Davis—Augusta, Ga.

Loscella Davis—Bainbridge, Ga.

The Savannah State Tigerettes outmuscled, outhustled and outshot the Paine College Lioness to take a 85-73 win in Augusta.

After Tigerette Coach Jimmie Westley had a few words with the officials, the Tigerettes behind and battered, came back to take a 24-20 lead late in the first half. The teams traded baskets for two of the last three minutes but SSC pulled away during the last one to lead 39-32 at the half.

The Lioness' Cynthia Price came out bombing in the second half, leading her team to a 4 straight baskets and a 40-39 lead. SSC's Cathy Wilcox scored on a jumper to give SSC a 41-40 lead which the Tigerettes never relinquished.

Leading 49-47 with 14 minutes left to play, Diane Robinson and Dollie Mosley shot the Tigerettes to a 60-51 lead. Elaine Parrish and "Pop" Davis then spearheaded a surge which saw Westley's team grab a 72-60 lead.

Paine's Maria Alexander brought her team to within 4 at 72-68 with 4:29 left, and the Tigerettes only led 77-72 with 2 minutes of action left.

Angela Ray then took charge of the game, scoring three field goals and hauling down 6 rebounds in the 2 minutes remaining to provide the final margin of victory.

TIGERETTES VS CLAFLIN

Deborah Estelle—Rincon, Ga.

Harriet Hillery—Brunswick, Ga.

Against Claflin, in Savannah, although SSC got off to a slow start, the outcome of the contest was never in doubt. Bainbridge's Diane Robinson started connecting from underneath, and every other Tigerette scored 2, and there were 10 others who saw action the first half, as coach Jimmie Westley's team led 31-21 at the half.

Swainboro's Elaine Parrish had the hot hand for SSC in the second half. The Tigerette defense meanwhile held Claflin to 13 points this half. For the night, rebounding wise, SSC had 54 and the Pantherettes 42.

Robinson had 16 points and 8 rebounds, Parrish 10, McRae's Barbara Smith 7 and Millen's Dollie Mosley and Davis 6 each. Surrency's Kathy Wilcox had 7 rebounds, as did Roberts, while Faye Ware and Smith collected 6 a piece.

TIGERETTES RIP GSC

Gloria Mills—Millen, Ga.

Dollie Mosley—Cochran, Ga.

Savannah State College's Tigerettes, led by 10 fourth quarter points from Dianne Robinson, won their opening game of the GIAW season by routing Georgia Southern's Lady Eagles, 61-44, before a packed Wiley Gym crowd.

The Tigerettes fell behind in the beginning of the game, but eventually got ahead and stayed ahead, when Karen Davis got a bucket with 4:40 left in the first period. At the half the Tigerettes led 26-16.

Robinson led the Tigerettes with 14 points, and Davis added 10 more points. Cathy Wilcox pulled down 17 rebounds to lead all the players in that department. Robinson pulled 12 and Angela Ray, 11. Ram Baker of the Lady Eagles had 16 points and 10 rebounds.

Elaine Parrish—Swainsboro, Ga.

Angela Ray—Cairo, Ga.

TIGERETTES FACE BENEDICT

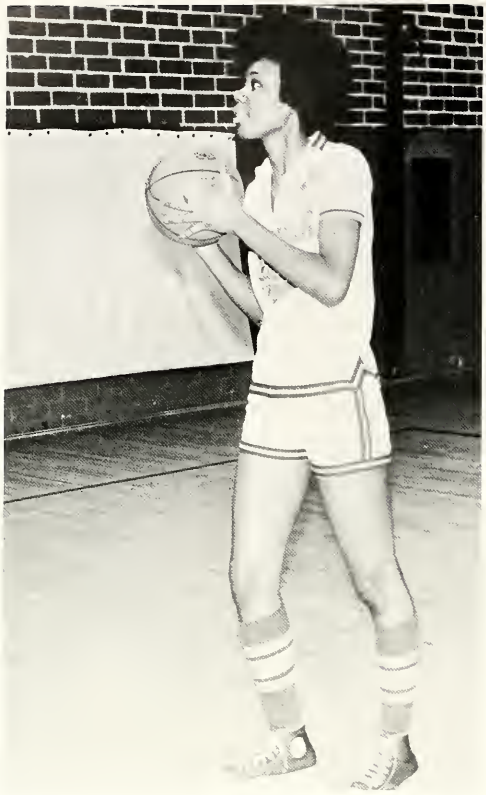
Against Benedict, overcoming odds which saw Westley get two technicals for questioning why Parrish was not awarded any freethrows after being knocked down in the act of shooting, the Tigerettes had to resort to every trick in their arsenal to keep their cool and burn the nets instead

The Tigerettes fell behind 12-6, then came back behind the shooting of Harriet Hillery to knot it up at 12 all. Hillery then put SSC ahead for good at 14-12 and Karen Davis increased it to 4. Mosley swished in two jumpers and two freethrows to give the Tigerettes a 30-18 halftime lead.

Benedict crept to within 1 at 34-33 before the Tigerettes got untracked with Pop Davis putting them on the right trail, giving them a 37-33 advantage with 11 minutes left in the game.

Angela Ray put on her golden sneakers and started hitting nothing but paydirt, as her heroics gave SSC a 49-39 advantage. Ray, 'Pop' and Ware supplied the scoring the rest of the way, and Deborah Estelle and Ray the rebounding, as the Tigerettes hung on to win their ninth.

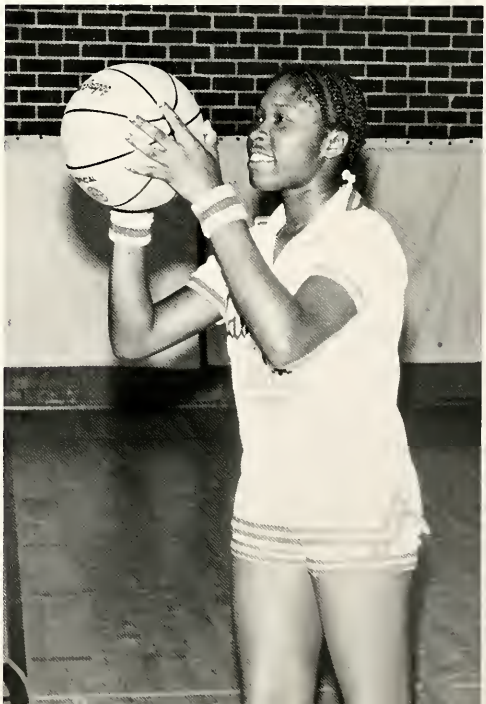
TIGERETTES RIP GC



Yvette Roberts

Diane Robinson—Bainbridge, Ga.

Florine Rozier—Cochran, Ga.



Swainsboro's Elaine Parrish stole the ball with 38 seconds left to play, drove and layed the ball in as the Tigerettes edged a new-look Georgia College team 57-54 in a GAIAW game in Milledgeville.

Diane Robinson gave SSC a quick 6-0 lead on three buckets, but the Lady Colonels came back strong. Led by Ginger Penn, the GC team cut a 6 point lead to 2 at 13-11.

Long bombers by Tigerettes Karen and Loscella Davis, propelled SSC to a 5 point lead. Marcia McManus then got hot, and GC went ahead 25-23 with 2:30 left in the half. The Lady Colonels led 30-27 at halftime.

The Tigerettes Parrish and Harriet Hillery cut the gap to 32-31, but Penn then put them ahead 38-35. The Tigerettes then got clutch baskets from Parrish and Cairo's Angela Ray to go ahead 39-38 with 11 minutes left in the game.

Georgia College never gave up, as Peggy McAfee and Penn kept swishing them in and they led 48-47 with 3 minutes left in the game.

Surrency's Kathy Wilcox blocked 5 crucial shots in the waning minutes and had 11 second half rebounds as she and Parrish sparked the Tigerette comeback. Parrish made it 51-50 and Ray made it 53-50. McManas cut it to 2 and Robinson made it at 55-52. McManas cut it 1 and GC got the ball on a missed Tigerette shot.

Parrish stole the ball on the ensuing play after a time out and drove in for the winning margin. GC missed a shot, rebound by Wilcox, and Parrish and Bainbridge's Pop Davis dribbled away the last 13 seconds of remaining time.

ALPHA PHI GAMMA

Members of Alpha Phi Gamma Honorary Journalism Fraternity earnestly believe that "the pen is mightier than the sword." Although it is just been restored on the campus of Savannah State College, this organization has sought to sponsor and support those activities which help to maintain and improve the quality of student publications. Alpha Phi Gamma will continue to encourage talented young writers and other journalists to proclaim the truth via written expression.

EDITOR'S MESSAGE

SAVANNAH STATE COLLEGE
STATE COLLEGE BRANCH

STUDENT PUBLICATIONS

February 16, 1976

Traditionally, this page marks the epitome of a year of hard work and late hours. This is true, but I choose not to release my pent-up frustrations on the faculty, staff and student body. Instead, I would like to thank the members of my staff and others who contributed to the development of the 1976 "TIGER." They are the reason that you hold this book in your hands now.

I must admit that 260 pages were not easy to lay out, and deadlines were not easy to meet, but somehow we made it.

I truly hope that this pictorial reminiscence of fellow students, activities, and events has captured the essence of our theme for this year's yearbook, "The Way We Were."

I challenge those persons who wish to criticize and complain about this edition, to commit themselves to work with the Office of Student Publications for the upcoming years. And as for others, we hope that you have enjoyed turning the pages of these memories of Savannah State College, our beautiful "College By The Sea."

STUDENT PUBLICATIONS

February 19, 1976

"The Way We Were" should provide you with a positive image of the administration, faculty, staff and student body of Savannah State College. This book was designed to entertain you for the years to come, capturing pictorially events of the "Way We Were."

I, personally, would like to thank all faculty, administration, and students who understood the difficulty of putting together a yearbook.

I would like to give thanks to the entire TIGER staff who worked diligently to help produce the 76 TIGER. They accepted criticism and your uncalled for remarks, but they didn't give up.

I also want to thank Mr. Elmore, our Consultant and Ms. McCall, our Editor for allowing me to be the Associate Editor and having a part in creating for you this 1976 TIGER of the "Way We Were".

LIFT EVERY VOICE AND SING

Lift every voice and sing,
Till earth and heaven ring,
Ring with the harmonies
Of liberty,
Let our rejoicing rise,
High as the listening skies,
Let it resound,
Loud as the rolling sea.

Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us,
Facing the rising sun of our new day begun,
Let us march on, till victory is won.

OUR ALMA MATER

Let us give thanks and praise to Thee,
to our Alma Mater S.S.C.
Thine honor, pride and emminence,
we raise in prayerful reverence.

Chorus

Where Savannah meets the sea,
where grassy plains and palms abound,
where the flow'rs are gems of loveliness,
there S.S.C. is found.
We adore each beauteous scene and hall.
Our all we pledge to Thee!
In our hearts we'll build a shrine for Thee.
We hail Thee S.S.C.
